## Help to Buy: Shared Equity Scheme

Before submitting an application on this product you should ensure your customer is aware of the implications of taking a shared equity loan as part of the financing of the purchase of their home.

Payments will be required on the Shared Equity loan after five years in addition to the repayments on the loan the customer takes with us.

Your customer should consider how they will repay this loan and understand that if house prices go up the amount they have to repay as part of the Shared Equity loan will go up.

For further information on the Help to Buy shared equity loan scheme your customer should go to: [www.gov.uk/affordable-home-ownership-schemes/help-to-buy-equity-loans](https://www.gov.uk/affordable-home-ownership-schemes/help-to-buy-equity-loans) and ensure they fully understand how the scheme works.

## LIBOR Trackers and the Reversion Rate

LIBOR Trackers and the reversion rate are variable rates that are linked to 3 month LIBOR and will change quarterly on 12 March, 12 June, 12 September, 12 December. Please note if this date falls on a non-working day then the LIBOR rate will be taken on the previous working day.

All of our LIBOR tracker products have a floor. This means that if LIBOR were to fall to 0.00% or less the rate payable will be 0.00% plus the agreed set percentage above LIBOR. This means that the rate payable will never go below 0.00% plus the additional percentage rate of the tracker mortgage.
