

Protecting you and
your loved ones

The advisor was extremely helpful and knowledgeable, very polite and friendly but, professional as well. I will most definitely be recommending my friends and family to the company."

- Mrs M. Holloway, 5 Star Review

WHO WE ARE

Best Insurance are one of the UK's leading and most respected niche protection insurance specialists, we are unique in our sector as we not only design, distribute and manage our own product ranges, we also broker from the wider market - enabling Best to give unparalleled choice, not only direct to our customers via our retail sales team, but also through our distribution partners.

PUSHING BOUNDARIES

Best constantly innovate pushing the boundaries of our sector, our products are ahead of the competition, giving our customers and distribution partners the most comprehensive and competitive product range available within our niche.

BRIDGING THE GAP

Our in-depth retail customer behavioural understanding along with our advanced systems allows Best to seamlessly integrate our actuarial expertise allowing Best to bridge the performance gap with our underwriters and carriers.

Whether you are a Comparison Portal, Network or Directly Authorised Broker looking to add a unique protection offering to your members and customers then we have a solution for you.

If you are an insurer looking for distribution as well as competence in performance, safeguarding your capital then you have come to the right place.

Our customer centric ethos gives individuals looking to protect themselves and their income against Accident, Sickness, Illness, Death, Job Loss, Unemployment or Redundancy a unique service and experience alongside the most comprehensive policies available within the sector.

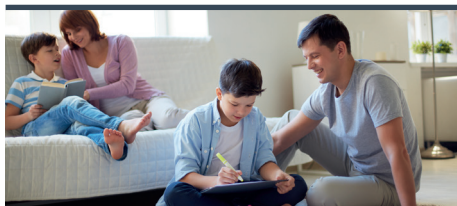

WHAT WE DO
