

Introducing WeCare

Virtual health and wellbeing services now available to our home finance customers

New and existing customers across our home finance products now have access to WeCare, a range of health and wellbeing services. All provided confidentially and available from the comfort of their homes.

WeCare is available to customers and their immediate family, allowing them to personalise the services they need, whenever they're needed – and at no added cost.

What's available?

Consultations with UK-based GPs
for virtual medical advice 24/7

Second opinions from consultants
on diagnosis or treatment needs

Healthy living support
including meal planning and get fit programmes

Private prescriptions
can be arranged and delivered at home

Professional mental health support
including life events counselling and bereavement sessions

Expert legal and financial guidance
on divorce property disputes, probate, budgeting and more

Access at any time

WeCare is available around the clock and can be accessed by

+ **Downloading the WeCare Programme app** 

+ **Visiting website at wecare-cl.com** 

+ **Calling the helpline on 0208 068 0035**
