**AS THEY
ARE**

We've added medical underwriting across our Just For You Lifetime Mortgage, so it's easier for you to deliver solutions unique to every client.

With Just For You Lifetime Mortgage medical underwriting, we estimate **six in 10 people** could borrow more, or get a better interest rate to reduce their borrowing costs.

By combining with a flexible choice of options, advisers can now design personalised, tailored solutions for every client – as unique as they are.

For more information call **0345 302 2287**, email support@wearejust.co.uk or go to justadviser.com.
