Shawbrook Bank announces that it has agreed to acquire Bluestone Mortgages

We have some exciting news for you: Shawbrook Bank today announces that it has agreed to acquire Bluestone Mortgages! The transaction will combine the scale and funding strength of Shawbrook with Bluestone's innovative products and market leading service to further accelerate our growth plans. The acquisition remains subject to regulatory approval, and we expect it to complete during Q2 2023.

Shawbrook has been a funding partner to Bluestone since 2017, and this acquisition is a natural step for us as the business continues to grow

So what does this mean for you?

The support from Shawbrook will provide a solid funding base and enable us to deliver innovative lending solutions to the growing number of customers who will need the support of a specialist mortgage lender

For now, it's very much business as usual. There are no changes to our management team, products or contact details, and the business will continue to trade under the Bluestone Mortgages brand. We are excited to have commenced the rollout of our new origination platform, Bluesky, which will leverage the transformative power of technology to improve customer outcomes. We'll extend the rollout to all our intermediary partners in the coming weeks!

In the next few months, you will hear more exciting news as we integrate more closely with Shawbrook and continue building our product range. As a valued partner please be assured that you are central to our plans. Our new position strengthens our ability to serve you and your customers better

In the meantime, please review the latest information on our [website](#) and [FAQs](#) for more information.

Kind regards,

Bluestone Mortgages
