

## Melton & The Mutuels is BACK!

We had great success last year with our Melton & The Mutuels video series where we invited other Mutual Building Societies in to discuss market trends & how Building Societies can help place those quirky cases.

This time, we are back in Podcast form!

Each episode, we will be discussing the latest hot topics, market trends, niche criteria, case studies and all the great things that being a Mutual Building Society can offer.

We will be joined each episode by special guests from other Mutuels, Mortgage Clubs/Networks and Brokers too!

Join us on the 4th of May at 11:00am for Episode 1 of our new Podcast series 'Melton & The Mutuels - The Evolution of Holiday BTL'

We will be joined by guest speakers, Key Account Manager [Andrew Sadler Suffolk Building Society for Intermediaries](#) and [Joe Stallard House and Holiday Home Mortgages](#) as we discuss how the demand for Holiday BTL has increased, how a Mutual such as ourselves & Suffolk can help and how we see the future of holiday BTL evolving.
