

Our expert teams are on hand to help protect your clients - and their wealth

At Legal & General, we put you and your business at the heart of what we do. We do this by making sure our products and services are built on choice, so you can deliver more for your clients.

We are on hand to support you and navigate the protection market and help your clients get the cover they need.

Tailored support for your high-value clients

Expert support and advice

- Providing technical and specialist support for your high-net-worth and business protection clients.
- We work closely with you, making sure each case is handled quickly, sensitively, and at the convenience of your client.
- We're Business Protection specialists, providing the latest market insights and selling techniques.

Comprehensive cover

We offer quality protection products for all your clients' needs.

Our full range of personal and business protection products, you can build the right plan for your clients all in one place.

With our signatureless online trusts, price beater and Gift Inter Vivos, we offer a comprehensive solution for all your client's needs.

Trusted brand

- 9 times winner of the Moneyfacts Business Protection Provider award, we've proudly been protecting clients for over 180 years.
- We signed up to the Protection Distributor Group Claims Charter and Funeral Pledge, which demonstrates our commitment to good customer outcomes.
- Rated AA- by Standard & Poor's, you can trust we'll be here to support you and your clients.

Our sales and service teams are available across the UK to make sure you have a protection contact, wherever you are. Use our new tool to find your dedicated sales and support contacts.
