

# WE'VE **INCREASED** OUR UNDERWRITING LIMITS

**Following your feedback and our commitment to improving our proposition, we are delighted to announce that we have increased our automatic Underwriting Limits.**

## **WHAT DOES THIS MEAN FOR YOU AND YOUR CLIENTS...**

This increase has changed the automatic medical evidence\* we need from clients.

Age	Level of cover at which we need automatic evidence
39 and below	No automatic evidence
40 - 50	£3000 (and above) per calendar month
51+	£2000 (and above) per calendar month

These increases will help speed up applications and allow more to go straight through processing. Once questions are completed correctly and in full, you and your clients will be able to get a decision at point of sale.+

\*The only evidence we request for automatic medical evidence is a medical screening.

+Subject to other Underwriting disclosures.
