

Introducing
the **future** of
Equity Release

Unlock the Future with Equilaw's Revolutionary Client Portal

Join us and embark on a new equity release journey with Equilaw's revolutionary client portal – a seamless fusion of cutting-edge technology and personalised expertise. We are thrilled to unveil a new era of innovation designed exclusively by experts to elevate your experience and redefine the way you and your clients approach equity release.

Introducing Novex: Your Gateway to Next-Level Equity Release

At the heart of Equilaw's client portal beats the pulse of Novex, a powerful generative AI system meticulously crafted in-house. Unlike generic off-the-shelf portals, Equilaw's platform is the result of the expertise of our equity release specialists. Novex has been seamlessly integrated into our Case Management System, ensuring a bespoke and tailored journey for each user. Every equity release journey deserves nothing but the best, and Equilaw delivers precisely that.

Time-saving Marvel for Instant Convenience

Equilaw's client portal transcends the ordinary – it's not just a portal; it's a time-saving marvel engineered to redefine your clients' interaction with their case manager. Our instant communication channel puts you in touch with your case manager at the touch of a button, saving valuable time and ensuring a seamless transition from instruction to completion.

Navigate with Confidence: Intuitive Case Tracking

Clients can empower their equity release journey with Equilaw's intuitive case tracking feature. Our portal acts as their trusted companion, guiding them through each step of the process. Transparency is key, and our case-tracking functionality ensures that everyone is well informed and comfortable at every stage. It's more than just tracking; it's a personalised roadmap to financial freedom.
