

# 20% lifetime discount on selected Bupa Global health plans\*

Available until 30 April 2024, for plans starting on or before 27 April 2024.

\*Terms & Conditions apply.

## Offer ending soon!

When your customers take out a Bupa Global health plan, they'll benefit from a 20% discount for the lifetime of their policy. But they need to act quickly, as this offer is only available until 30 April 2024.

Available on all new UK individual policies on Bupa Global Select, Premier, Elite and Ultimate Health Plans.

### Lifetime discount

Applies for the lifetime of the policy

### New UK policies

Available on new UK individual policies

### Family members

Dependants will also receive the discount

## Why Bupa Global?

Bupa Global is a leading international private health insurance company. Our health plans support individuals, families and businesses who are looking for the highest level of cover available from Bupa.

### Your customers can benefit from:

#### Direct access

To any recognised private hospital, medical provider or clinic within their area of cover

#### No referral needed

See a specialist without the need for a GP referral, no pre-authorisation required

#### Health cover that travels

Treatment within plan limits will be covered both at home and abroad
