

## Go Beyond Mortgages.

Our proposition makes it as easy as possible to incorporate GI into your business strategy.

Providing a General Insurance quote to your clients couldn't be easier when you partner with Uinsure.

### → **You do it**

**Simply login to our Adviser Platform to provide your clients with a binding GI quote.**

1. We only ask 3 questions and it takes less than 20 seconds to get a quote.
2. We pre-fill the data so you don't have to.
3. You're in control and can fully manage the process.

### → **We do it**

**If you don't have time to quote GI products, simply submit a referral to Uinsure and we'll arrange the GI on your behalf.**

1. We're the experts - 35 insurance advisers who are a proud extension of your team.
2. We have over 15 years experience handling referrals and optimising conversion.
3. Realtime progress showing live tracking and status of your referral.

### → **Your customer does it**

**UinsureCX is the first platform in the UK that can track an individual's mortgage process and provide fully automated communications at key moments in the mortgage cycle.**

1. Offer every client an automated insurance quote.
2. Enhance your client's experience - they can choose when they buy, at their own convenience.
3. Track their mortgage process and provide tailored communications at key moments in the mortgage journey.
