

# Unlock the Secrets of your Health with DNA Insights

Did you know that much of our health is decided within our genetic code?

Get over 100 unique insights into your genetic health, plus get access to DNA 12 which provides additional monthly health insights over the next 12 months. These include:

- ✓ Genetic diabetes risk
- ✓ Nutrition & dietary sensitivity
- ✓ Weight management
- ✓ Eye & skin health risks
- ✓ Heart & gut health
- ✓ Cognitive ageing speed
- ✓ And much more
