

# Have you got New Build buyers?

We now offer up to 95% LTV on New Build houses and flats.

## For Intermediaries

### Insight into New Build

Tune in to our latest Skipton Talks with Mortgage Strategy

In our latest episode of Skipton Talks with Mortgage Strategy, Jonathan Evans, National Accounts and New Build Lead was joined by John Doughty, from Just Mortgages as they discussed insights into New Build innovation and what is happening within the New Build market.

### New Build Buyers? We've got the keys!

We're all about helping you boss your New Build business and unlock the doors to the homes your clients are set on:

- Up to 95% LTV on New Build houses and flats
- 9+3 month offers
- 48hr guaranteed underwrite

And on top of all that, last year we switched up our approach to incentives to allow us to say YES to even more of your clients – take a look!

[Our New Build proposition.](#)

"New Builds demand quick decisions and flexibility..."

"They're popular with buyers and sell fast. Our proposition is designed specifically to give you the turnaround times and solutions you need to give you a better chance to help your clients onto or up the property ladder."
