## New Pathways for WPA products!

## We're delighted to introduce **NEW Pathways** for the following products:

### SME/Commercial

- Enterprise Flexible Benefits (EFB)
- Precision Corporate Healthcare

### Retail

- Complete Health

The **WPA Physio Pathway** offers support for one of the highest claimed medical conditions in the UK.

The **WPA Cancer Pathway** provides access to diagnostic services available for suspected breast, prostate and skin cancer without the need for a GP referral.

**! Please note:** Other WPA Pathways are available and vary from product to product, so please be sure to check product literature for further information.

**To find out more please get in touch with your usual WPA contact or any of the team using the contact details below:**
