

INTEGRA JOINS THE UINSURE PANEL

WE'VE ENHANCED OUR HOME INSURANCE PANEL BY ADDING INTEGRA INSURANCE SOLUTIONS.

Integra uses the latest in pricing technology and advanced pricing strategies to provide a competitive, tailored premium for each home.

For our partners, adding to the panel of underwriters for our 5 Star rated home insurance product has many benefits, including the ability to quote more customers through stronger underwriting footprints and increased competitiveness for individual customer risks.

INSURANCE ~~IS~~ **WAS** COMPLICATED.

WE REDESIGNED IT.
