

**Skip The Home  
Insurance Hurdles—  
Let Source Go Keep Your  
GI On Track For You!**

## Quoting for home insurance can feel like a marathon. We've made it a sprint!

If you're an adviser looking for a streamlined, hands-off solution, **Source Go** is built just for you. This referral system allows you to hand off the home insurance quoting process to your clients with minimal hassle on your part.

With **Source Go**, your clients can complete their own quotes online, whenever it's convenient for them. Meanwhile, you can trust that they'll be getting fair-value prices, that have the competitive edge.

Quick, simple, and stress-free for both you and your clients. **Source Go** makes referrals effortless—it's the perfect win-win!
