Single Life, Joint Life and Menu Plans – What are the best options from a consumer perspective? – Forum recap part 1

The latest Protection Forum explored the best consumer options among single life, joint life, and menu plans, featuring insights from experts **Zoe Priselac, Colin Baxter, and Emma Astley**.

Zoe highlighted that single life policies offer critical flexibility, ensuring coverage even if health or relationship circumstances change. Colin echoed this view, advocating for single policies in trust to provide more secure, individualised protection. Emma reinforced these points by sharing cases where joint policies left families uninsured after a critical illness claim.
