What you'll get with SportsShoes.com

50% off a pair of running shoes per member each plan year (excludes outlet items)

15% off other full-priced items, including other sports shoes, clothing and accessories* (excludes all outlet and electronic items)

Terms and conditions will apply.

Runners Need

Discount ends 30 December 2024

SportsShoes.com will replace your Runners Need benefit from January 2025. There are no changes to the savings you can make, so you can get the same great discounts. We'll send you an email in the new year when SportsShoes.com officially joins as a Vitality partner.

As you haven't used this plan year's running shoe benefit, your Runners Need allowance will be transferred automatically to SportsShoes.com in January. Your running shoe benefit can be used once per plan year with either Runners Need or SportsShoes.com.^

The Vitality Collection by Nike

Ends 30 December 2024

The Vitality Collection by Nike also ends on 30 December 2024. But, rest assured, SportsShoes.com has over 600 Nike items you can choose from, among other brands.
