

100% Concessionary Purchase

We're delighted to announce that we've enhanced our Concessionary Purchase criteria, and will be offering **100% Concessionary Purchase**.

What does this mean for your customers?

- The improvement enables customers to purchase a property below market value. This is available for purchases from family *and* from landlords.
- Your customers could borrow up to 100% Loan to Purchase Price, with **no deposit required**, up to a maximum of 75% LTV of full market value.
