

Two months free for new individual clients in February and March

At AXA Health we're always looking for ways to support your business, while encouraging our members to be their best selves.

So, we're excited to offer your clients two months cover free with any new Personal Health or Health For You plans purchased between 4 February and 31 March 2025.

Additionally, if your client doesn't claim within their first year of cover, we'll offer them one month free on their second year of cover if they renew.

With this special offer, it's the perfect time to talk to your individual clients about private healthcare cover with AXA Health.

This offer is available to new customers only, purchasing a Personal Health or Health for You plan (including child only policies) with moratorium or full medical underwriting, or to new individual customers switching from a recognised competitor. This offer applies to new customer policies quoted between 4 February 2025 and 31 March 2025, with a cover start date during this same period.
