

We know how important it is to offer clients protection that fits their needs and budget.

That's why we've enhanced Friendly Shield, our new short-term everyday protection product, with optional sickness cover.

This unique protection is ideal for clients who want simple to understand and quick to access cover for everyday accidents and now sickness. Here's why it's a game-changer:

- **Income Benefit:** Up to £2,250 per month for up to 3 months, starting after just 14 days, with no need to provide evidence of earnings.
- **Hospital Cash Benefit:** Up to £18,000 cover, available to your client's whole family.
- **Affordable and simple:** Starts from just 33p a day with no medical questions, and 3 levels to choose from, making it quick and easy for your clients to apply and benefit from.

**PLUS:** For a limited time only, your clients will get 1 month's premium free when they apply – and they'll also be entered into a prize draw for the chance to win back their first year's premiums! Promotion ends 14 February 2025.
