

# Mid or High Net Worth (MNW/HNW) insurance isn't just for the rich and famous - it's designed for anyone with valuable assets that deserve specialist care and protection.

Unlike standard policies, MNW/HNW insurance offers bespoke coverage crafted to meet your client's unique needs. With a skilled broker, your clients benefit from protection and seamless service, ensuring peace of mind.

## When Does MNW/HNW Insurance Apply?

These types of policies are typically recommended for:

- Properties with a rebuild value exceeding £1,000,000
- Contents valued over £150,000

## Why Berkeley Alexander?

At Berkeley Alexander, we pride ourselves on delivering tailor-made solutions. Working with a specially selected panel of top insurers, we take the time to fully understand

your client's requirements and provide comprehensive, bespoke coverage.

Whether your client has multiple properties, luxury cars, high-value art, antiques, or rare collections, we simplify the process — often consolidating everything into a single, streamlined policy.

## The Berkeley Alexander Advantage

- Access to industry-leading insurers for exceptional protection
- Expertise in addressing complex, high-value insurance needs
- Ability to provide a desktop valuation service through our partners RCAL for accurate re-build sums insured
- A time-saving, hassle-free experience for you and your clients – you can either be fully involved with the case or introduce the client to us and we will do the rest
