

## Unlock the Remortgage Boom – Maximise Your Mortgage & Protection Opportunities

[Register now](#)

With over 1.8 million fixed-rate mortgage deals coming to an end in the next two years, now is a crucial time for mortgage and protection advisors to step in, provide valuable guidance, and strengthen client relationships. Falling interest rates, growing remortgage demand, and evolving protection needs mean that there's a huge opportunity right in front of you.

Join our exclusive Focus Week webinars series where we'll explore how you can maximise mortgage and protection opportunities in 2025 and beyond:

 **Day 1: The Remortgage Surge**

What's happening in the market, the scale of opportunity, and why advisors need to act now.  
**Monday, 10th March, 13:00-13:45**

 **Day 2: Using Research & Insights to Improve the Protection Process**

What clients really think, how to identify key moments, practical steps to improve. **Tuesday, 11th March, 13:00-13:45**

 **Day 3: Later Life Lending – Integrating Mortgages & Wealth Planning**

Why later life lending is a growing market, how equity release can support clients and role of mortgage advisors in long-term wealth strategies.  
**Wednesday, 12th March, 13:00-13:45**

 **Day 4: The Protection Conversation**

Why Remortgage Discussions Open Doors Strengthen client relationships, spot opportunities and make protection a seamless part of your advice process.

**Thursday, 13th March, 13:00-13:45**

This is your chance to stay ahead of the market, offer timely advice, and ensure your clients make the best financial choices—while also driving growth in your business.
