

At **National Friendly**, we believe in making income protection more accessible than ever. With our improved pricing, you can now offer clients aged 35-45 even more affordable protection particularly at lower deferred periods.

How it works

Take a look at our example quotes for a client aged 35 for age costed guaranteed cover and retiring at 65.

Deferred period	Benefit level	Monthly premium
4 weeks	£1,500	£18.92
4 weeks	£2,500	£27.73

And it's not just about price. With us you also get:

- **A simple, fast underwriting journey:** No more unnecessary questions and easier applications
- **Decisions in 24 hours:** Speak directly to our underwriters when needed with same day decisions on manually underwritten applications.
- **A more inclusive approach:** Higher BMI limits (up to 41), diabetes considered, and coverage for high-risk roles.

Don't miss this opportunity to offer **inclusive insurance at competitive rates**.
