

Helping you say yes to additional borrowing

Quick and easy applications powered by MSO

We could help you say 'yes' to your clients who want to borrow more on their mortgage with us – [additional borrowing](#) is now available on Mortgage Hub!

And because it's powered by MSO, additional borrowing applications are straightforward and quick online.

Additional borrowing – what you need to know

- ✓ Available for clients who have one of our mainstream, buy to let or shared ownership mortgages. [Read our frequently asked questions](#) to find out more
- ✓ Quick and easy applications through Mortgage Hub – no need to register on a new system
- ✓ Assess a case before submitting with our new additional borrowing affordability calculator
- ✓ Purpose of loan includes home improvements, debt consolidation and shared ownership staircasing
- ✓ We pay a proc fee for every successful completion. Read our [frequently asked questions](#) to find out more
- ✓ Eligibility criteria apply

We could help you say 'yes' to your clients when it comes to additional borrowing with us. It's another way we're improving our service to you through improved technology, after introducing our new rate switch service into Mortgage Hub last year.

Just speak to your local BDM to find out more, or visit our website.
