

Help protect your client's home

At Berkeley Alexander, we offer a range of insurance solutions designed to protect your clients' homes, no matter how unique their needs may be.

Standard Household Coverage

We provide insurance for standard household risks from a range of insurers and a mix of default ratings. Coverage can even include properties with up to nine bedrooms. Compare policies and find the right fit for your client. To obtain a quote click [here](#) to visit our website.

Non-Standard Household Risks

While most risks are typically standard and straightforward, there will undoubtedly be times when you encounter more complex and challenging risks. That's where we excel.

Our non-standard offerings include:

- **Flood risks:** Comprehensive coverage for homes in flood-prone areas.
- **Subsidence history:** Insurance for properties with a history of subsidence.
- **CCJs:** Coverage for clients with County Court Judgments.
- **Unusual construction:** From thatched roofs to grade-listed buildings, we have the expertise to insure them.
- **Home workers:** Tailored policies for clients who work from home.
- **Airbnb properties:** Specialised coverage for short-term rental properties.
- **Unoccupied homes:** Cover for homes that are temporarily unoccupied, even those undergoing renovations.

If you have a risk that falls into one of these categories and have been facing challenges, reach out to us - we're here to help!

We also do mid or high net worth insurance

Mid or high net worth insurance isn't just for the rich and famous; it's designed for anyone with valuable assets that may need a more bespoke policy.

We work with a specially selected panel of top insurers, to ensure the very best comprehensive cover for your clients, often including:

Multiple properties.

Luxury cars.

High-value art, antiques and rare collections.
