Say hello to **MythBusters**, our brand-new video series where we take a closer look at some of the biggest myths floating around the income protection world.

We're kicking things off with a classic. One that's come up in adviser conversations more times than we can count.

Is income protection just for salaried employees?

We're not saying just yet!

But we are diving in, tearing it apart (literally), and putting the facts straight.

Watch Episode 1 of MythBusters now and see what the truth really is →
