

ADDED-VALUE BENEFITS

Be sure to remind your clients of the added-value benefits that come part and parcel with their income protection contracts.

GP24

Provides a virtual GP service via telephone and video appointment with a qualified GP and can be available to your client, their partner and children 24 hours a day, 7 days a week.

THE 125 FOUNDATION

The 125 Foundation provides exclusive financial support to your client, their communities or causes that are close to their hearts.

CHILDREN'S CRITICAL ILLNESS SUPPORT

Children's Critical Illness Support is there if your client's child should fall ill with one of the ten listed illnesses, by providing them with a lump sum of £2,500.

FRIENDLY VOICE

A confidential telephone service from a Personal Nurse. This can provide your client and their partner with practical help, emotional support, therapies and even second medical opinions.

MEMBER PERKS

Member Perks provides your client with a whole range of discounts and offers on popular brands, such as M&S, Apple and high-street shops, as well as free telephone legal advice.

For more information about our added-value benefits, please visit our website at www.cirencester-friendly.co.uk.
