

More options for your larger loan clients

Great news...

In response to your feedback asking for more choice for your larger loan borrowers, **we've launched four limited edition two-year deals to suit different needs.**

Find out more about how your clients can benefit, including high net worth individuals [here](#).

Suitable for UK residential cases between £3m and £5m, these deals cater for a range of scenarios, including non-standard income, self-employed, complex properties, joint borrower sole proprietor and more! And if your client is looking to borrow up to 6x income, we've got you covered (subject to affordability).
