

Free legals are now live for remortgages

We're pleased to introduce free legals on selected remortgage products, helping your clients reduce upfront costs while keeping the process simple, supported and efficient through our partnership with Optimus.

What's New?

The new service means a real saving for your clients. And as you'd expect from us, it's backed by the same personal, high-quality service.

- £300-£700 potential saving for your clients
- Covers all standard remortgage legal costs, including VAT and disbursements
- Faster completions through a streamlined, managed process
- Delivered via a managed panel of high-quality firms through Optimus
- Direct client contact with solicitors for a smooth, transparent journey
- Ongoing performance monitoring and reporting to maintain excellent service

Who's Eligible?

Free legals are available on selected remortgage products, primarily across prime residential lending up to 80% LTV and our later life range. If you're unsure whether a case qualifies, just get in touch - we'll be happy to check.

Flexible. Personal. Easy.

Our free legals service gives you another way to offer clients the flexibility, personal support and straightforward process they expect from the Vernon. With standard remortgage legal work covered on selected products, it helps make the journey simpler, smoother and more cost-effective from start to finish.
