

Are your client's belongings covered away from the home?

It's a horrible feeling. One minute it's there, the next it's gone. Whether it's a lost item of jewellery, a stolen handbag and all its contents or a mobile phone - finding out a client wasn't covered if they come to claim is a conversation no adviser wants to have.

Our personal belongings cover away from home means you can have that valuable conversation now, before a claim starts it for you.

Everything you need to start the conversation
